

REPORT OF THE SELF HELP INCORPORATED

During the program year ending September 30, 2006 Self Help, Inc., received a total funding of approximately \$21M and provided direct services to 23,977 limited income households in the area.

In the Town of Abington, Self Help, Inc. provided services totaling \$494,505 to 588 households during program year 2006.

Self Help's total funding of \$21,006,167 does not tell the real value of services delivered to the area as a whole. This funding enabled us to mobilize an additional \$1,370,659 of other community resources such as, volunteers, donations of space, and private donations in the form of goods and services. Therefore, the total impact of Self Help, Inc., during the past program year was \$22,346,826.

In addition, Self Help currently employs 250 individuals. Many of these individuals are of limited income, and most reside in our service area.

We feel that October 1, 2005 through September 30, 2006 was a successful program year for us because we were able to assist as many individuals and/or families as we did, regardless of the challenges of being a human service provider.

We thank the Town of Abington, and its representatives to our board, Ms. Lorraine Simon and Ms. Janet Johnson, and all the volunteers for helping us to make fiscal year 2006 a successful one.

Respectfully submitted,

Norma Wang
