

Congratulations to the **2008 Abington Green Wave Football Team** for their undefeated 11-0 season, and for being crowned as the South Shore League Champions for the 4th year in a row (a feat which has never been accomplished by any other South Shore League school).

In the last four years, our AHS football team has rolled to an impressive 40-4 regular season record, and the Green Wave has not lost a home football game at Memorial Field *since 2004*. Congrats once again to Head Coach Jim Kelliher and to all of our AHS football team's student-athletes for their hard work and outstanding achievements.
