Abington, What’s NEW in June?

NEW WEBSITE - WWW.AbingtonSeniorCenter.com

We’re proud to introduce: A new place on the Internet to serve the senior community in Abington. If you missed getting an issue of the Senior Informer or want to see even more current happenings involving the Senior Center and other town news check out the website. There’s loads of information and resources as well as photos from recent and not so recent events. There’s even an events calendar section showing our upcoming schedule of monthly activities and meals. Stop by the site frequently and keep an eye out for special announcements and up to the minute news. If there’s something that you’d like to see added please let us know! We’d like to thank the Abington Elderly Services, Inc. for their generous sponsorship of the website.

NEW fiscal year for the Abington COA Board of Directors

As the town prepares to enter a new fiscal year, June also marks a time when the Abington Council on Aging seeks people who may be interested on serving as a COA Board member. If interested, please let us know. COA Board meetings are held on the 3rd Wednesday of each month at 8:30 A.M. If you’re not sure, come to a meeting and check it out or speak to one of our current members. We’d love to have you!

NEW Vote - The town will hold an override vote on Saturday, June 26th at the High School. If you haven’t already done so please register to vote with the town clerk. Call 781/982-2112 or stop by town hall, if you’re not enrolled. We need your vote to save funding for our Senior Center. If anyone needs absentee ballots please see Jean at the Senior Center front office. We’re very grateful to the Friends of Abington Seniors, Inc. for their crucial and generous support over the past eight months. It’s now time to be funded again by the town where we live. Remember, your vote will count!

Making Changes for Safer Driving

Here are ten good ways to improve driving skills and extend safe driving capability:

1. Take a refresher driving course for seniors. 55 Alive, DriveWell and other classes on defensive driving for older driver focus on specific strategies for dealing with the impact of the aging process.
2. When filling prescriptions ask your doctor or pharmacist if your medications have any potential side effects that could hinder your ability to drive.
3. Have regular eye examinations, and keep your glasses prescription current
4. Make sure your car is in good working conditions
5. Make adaptive modifications to the vehicle itself for enhanced driving safety (improved side & rear mirrors, a back-up warning buzzer, and pedal adjustments.
6. If the car is large and difficult to maneuver, consider trading it for a smaller car, which might be easier to handle and park
7. To avoid most challenging driving situations.
8. If your night vision has diminished, schedule car trips during daylight hours.
9. Avoid distractions (loud music or conversation, and cell phone use while driving.
10. Buckle up. Everyone in your car should wear a seatbelt.

Summer is here please drive defensively

FACT # 4: The law will improve care for older Americans in other ways.

It will:

Help prevent and combat elder abuse, neglect, and exploitation;

Improve the workforce caring for seniors—and increase the number of primary care physicians;

Improve nursing home quality; and

Reduce health insurance premiums for Americans aged 55-65.

FACT # 5: The law will reduce Medicare spending growth—and it's fully paid for.

Over the next 10 years, Medicare spending will continue to grow, but at a slightly slower rate. The independent, nonpartisan Congressional Budget Office has stated that the new law is fully paid for—and even helps reduce the deficit by \$124 billion over 10 years. It will save Medicare about \$500 billion over 10 years and is expected to extend the solvency of the Medicare Trust Fund for an additional nine years. Specifically, the new law will:

Slow the rate of payment increases to Medicare providers, including hospitals, nursing homes, and home health agencies. Doctors will not be affected. Many providers—whose profits will increase with newly insured patients—have agreed to these new payments.

Reduce payments to Medicare Advantage (MA) plans. About 75% of seniors are enrolled in traditional Medicare; the rest are enrolled in private MA insurance plans. Today, Medicare pays these plans over \$1,100 more per person than traditional Medicare. The new law will level the playing field by eliminating this overpayment. As a result, some MA plans may cut extra benefits like eyeglasses or hearing aids, increase premiums, or perhaps even drop out of the program. However, MA plans *will not* be allowed to cut any guaranteed benefits.

Reduce fraud and waste to make Medicare more efficient.

Ask high-income beneficiaries to pay higher Medicare premiums. The law will affect individuals with annual incomes above \$85,000 and couples with incomes above \$170,000.

Create a new Medicare Advisory Board to recommend ways to reduce costs in the future.

OUTREACH - SHINE WITH NORMA

Urgent REQUEST: good drivers willing to drive a Senior to medial appointments at South Shore Medical in Norwell. Our van does not go to Norwell, plus appointments may be for times when our van is not on the road. Will gladly reimburse for gas. If you would be willing to do this run, not often, but on occasion, please call the COA office.

Cell Phone owners; Cell Phone Numbers have gone public... phone numbers have been released to telemarketing companies and you will not only be receiving sales calls but you will be charged for these calls.

To prevent this from happening to you, call the following number 1-888-382-1222, (the National Do No Call List). It blacks out your number for 5 years. You MUST call from the cell phone whose number you want to block—it must be that cell phone... or go on line to:
www.donotcall.gov.

The month of June will find some nice people celebrating 90 years –or –older birthdays including: Francis Diodato, Florence Thomas, Helen Cheverie, Constantino Caruse, Mary McCarthy, Myrtle Bates, Madeleine Forrand, and Mary Franey. Congratulations to all of you (If we missed your birthday, please let us know)., I wonder how many of you remember home deliveries of milk in glass bottles with cardboard stoppers?? - or S & H green stamps??- or metal ice trays with levers? - or wash-tubs wringers???? Or Studebakers or Packards?? Or Blackjack chewing gum?? When there were only 3 TV stations? (or even when there was NO such thing as TV?????)

If you need help with or have questions about Health Insurance (Medigap/Medicare Advantage plans (formerly HMO's), Prescription Advantage/Medicare-Parts A,B, or D, Mass Health, Medicaid, etc, etc... give me a call or come in (appointments are helpful), or if you are about to turn 65 and plan to retire– or not, health insurance is a whole new world so let us help you enter this new life insurance world.. It helps to be informed! As always, we don't know all the answers, but we'll find someone who does.!
